

## DATA SHEET

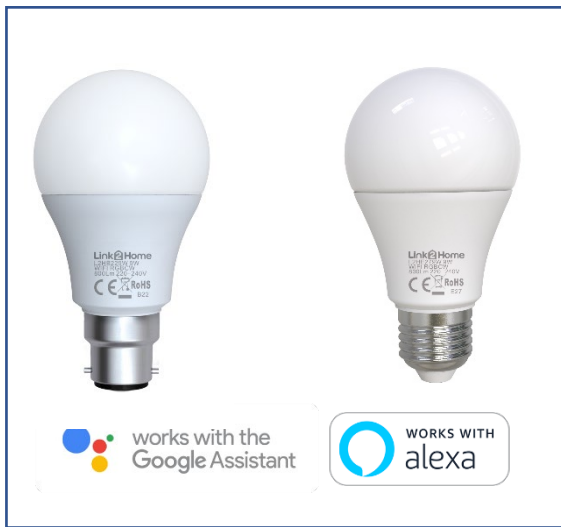

### L2HB229W & L2HE279W

#### Description

The Wi-Fi connected B22 & E27 lamp uses LEDs to change the light to suit your mood. Choose white (CCT 2700 – 6500K) or one of 16 million colour variations. Group multiple lights together and simply control the lighting in one room or the whole house – alternatively, control each light individually. No hub required – control via app or voice.

#### Features

- Power: 9W 800lm (0.5W standby)
- Colour: RGB + CCT 2700 – 6500K
- Lifespan: 15000H
- Beam Angle: 200°
- Dimmable
- Linear Driver
- RA: >80
- PF: >0.5
- Voice Control

#### Requires App:

#### Technical Specification

- Complies with:
- **EN61000**
- **EN301489**

#### Dimensions

|                        | Weight (KG) | Diameter / Height (mm) | Length (mm) | Width (mm) |
|------------------------|-------------|------------------------|-------------|------------|
| Product                | 0.056       | 60                     | 118         |            |
| Product (in packaging) | 0.087       | 122                    | 63          | 63         |
| Display (10)           | 1.004       | 138                    | 332         | 127        |
| Outer (30)             | 3.600       | 435                    | 350         | 150        |
